Warrant for Town Meeting.

L. S. THE STATE OF NEW HAMPSHIRE.

To the Inhabitants of the Town of Grafton, in the County of Grafton in said State, qualified to vote in town affairs:

You are hereby notified to meet at the Town Hall in said Grafton on Tuesday, the thirteenth day of March next, at Nine o'clock in the forenoon, to act upon the following subjects:

1. To choose all the necessary town officers for the year ensuing.

2. To raise such sums of money as may be necessary to defray town charges for the ensuing year, and make appropriation for the same.

3. To see if the town will vote to return to the old highway district system, doing away with road agents.

4. To choose a member of the board of trustees of trust funds for the ensuing three years.

5. To see if the town will vote to raise the sum of \$7,500 for Trunk Line construction to obtain Federal aid of \$22,500, or town to raise \$907.50 for State Aid construction to obtain State Aid of \$1361.25

6. To see if the town will vote to raise the sum of \$270 for trunk line maintenance to obtain State Aid of \$405.

6. To see if the town will vote to accept the provisions of Chap. 117 of the laws of 1917 on a section of Mascoma Road, so called and appropriate or set aside from the money raised for highway work the sum of \$50 for this purpose.

8. To see what sum of money the town will vote to raise and appropriate for Old Home Day.

9. To see what sum of money the town will vote to raise and appropriate for maintenance of town highways and bridges, including the amount of one-fourth of one per cent. as required by law.

10. To see what sum of money the town will vote to raise

and appropriate for the purpose of cutting bushes and railing embankments along the highways.

11. To see if the town will vote to raise \$400, thereby obtaining State Aid of \$100, for the purpose of controlling the white pine blister rust.

12 To see what sum of money the town will vote to raise and appropriate to replace the book money that was used to build book stacks for the library.

13. To see if the town will vote to allow a discount of 3 per cent on all property taxes paid on or before the last Saturday in July.

14. To see if the town will vote to accept the Frank D. Currier legacies, numbers 1, 2, 3 and 4.

15. To see if the town will vote to authorize the selectmen to make short time loans in anticipation of taxes.

16. To bring in your ballots upon the question as to whether the amendment proposed by the convention to revise the constitution shall be approved.

Given under our hands and seal this 23d day of February, in the year of our Lord nineteen hundred and twenty-three.

Report of Superintendent of Schools

To the Board of Education and Citizens of the Grafton School District:

I hereby submit my fourth annual report of the schools of the schools of Grafton. This report includes the roll of perfect attendance and the statistical table.

TEACHERS

The Depot school was fortunate in having for the first half of last year Miss Burnham, a normal school graduate, and when illness necessitated her resigning, in replacing her by Mrs. Morrison, another trained teacher with experience. West Grafton had a good year under Mrs. Leonard, the instruction being commendable and the attendance better than in any other of our schools. The Center and East did good work under inexperienced but ambitious teachers, Miss Robinson, who is now in the State College, and Miss Leach, who went from here to a graded school

in the Charlestown district. As Mrs. Walker at the Gifford asked for release in February the year was finished by Miss Mackee of Boston. The admirable work done by Mrs. Walker in the primary grades has been recognized by succeeding teachers.

ALTERATIONS

As funds were low few alterations could be made last year upon school buildings. There is need of new finish on the walls and ceiling at the Depot and the Center, and more light should be added at the Center and the East. Some changes are needed at the Gifford.

BOOKS AND EQUIPMENT

Because of the need of strict economy we have added few books, but have provided up-to-date geographies for the seventh and eighth grades, a few supplementary readers for primary grades, and desk copies of Morrison's, "The Government of New Hampshire", Metcalf's "New Hampshire in History", and of Miss Brewster's "Some 300 Years Ago". These are books particularly intended to foster a love of our own state and an appreciation of her place in history. The purchase of wall maps of the world, and of the New Europe help greatly in the teaching of geography. New arithmetics and language texts are needed, also much additional reading matter.

STATISTICS

The statistical table includes, for purposes of comparison, the totals for the previous two years. You will notice that the aggregate number of absences is large. Many of those last year were of children living at a long distance from school, and an unfortunate number were caused by the epidemic of measles in the Depot school. This present year, up to January 1, there were 972 absences, and there was a large number from that date to the closing of the winter term. We know that many of these were necessary for reasons of health, and we do not urge children being in school when it endangers themselves or is likely to spread contagion among others. We do believe, however, that our schools would be greatly improved if every child

should be in school every day when able to be there. It is only an unusually bright pupil who can have frequent absences, yet keep up with his class. Only a little less harmful is tardiness, of which you will notice we had 191 cases last year, a slight improvement over the 265 of two years ago.

TESTS

Standard tests were given last year in all grades above the second. The Curtis tests in arithmetic fundamentals, the Monroe Silent Reading tests, and Ayers spelling test, were given in grades 3-8, and the Witham geography tests in grades 5-8. The National Intelligence tests were also given in grades 3-8 to determine still more definitely each pupil's ability to do the work of his grade.

HEALTH

The physical examination was made as formerly by Dr. Knapp, and many defects of teeth and throat have been corrected. It is hoped that some time there may be a County Dental Clinic so that children's teeth may be taken care of without the expense of going to some distant town. This is one of the things contemplated by the farm bureau and one that we greatly need. Many children suffer in both health and intelligence from having defective teeth and bad throats.

NO-SCHOOL DAYS

The State Department has very recently sent out a bulletin urging that we increase the efficiency of our schools by having fewer no-school days. Throughout the state the number of half days lost by holidays, bad-weather days, etc., varies from 8 to 37. Grafton is at neither extreme, having lost last year 21. Some attempt will be made to increase our efficiency next year by eliminating a part of this waste.

FINANCES

The admirable report prepared by the secretary of the board upon the district finances needs no explanation by me, and I am sure it will give to all voters just the detailed and class-

ified account wished for of the receipts and expenditures of the district revenue.

I wish to express my appreciation for many courtesies shown me by school officers and school patrons, and for the co-operation of the teachers in all our efforts for the success of the schools.

Respectfully submitted,

IDELLA K. FARNUM, Superintendent.

Supervisory Union No. 1.

Feb. 13, 1923.
